### Educational Materials

#### Early Childhood Program

A comprehensive conservation education program that includes a 336-page teacher activity book, *Conservation Seeds* and animal and habitat cards.

- ☐ Please send me the *Conservation Seeds* program package. E00266

#### Kindergarten and Grades 1 and 2

*Woollyworm*, *Tadpole* and *Crawdad* Conservation Kids' Connection newspapers are available exclusively online at [www.mdc.mo.gov/n190](http://www.mdc.mo.gov/n190). Classroom teachers and home school educators can enjoy our seasonal newspapers available in student and teacher editions for *Woollyworm* (kindergarten), *Tadpole* (first grade) and *Crawdad* (second grade).

#### Posters

- ☐ *Conservation Consonants* poster: A 25" by 38" color poster featuring the letters B, C, D, H, L, M, P, R, T and W. E00014

- ☐ *Counting on Conservation* poster: A 25" by 38" color poster featuring the numbers 1 through 10. E00018
- ☐ *More Conservation Consonants* poster: A 25" by 38" color poster with the letters F, G, J, K, N, Q, S, V, X, Y and Z. E00085

#### Student Booklets

The following booklets are provided in classroom quantities:

- ☐ *Conservation I Can Do!* activity book: Appropriate for grades 1 through 6—indicate number of students \_\_\_\_\_ E00025
- ☐ *Lewis and Clark Outside In* magazine: Appropriate for grades 4 through 12—indicate number of students \_\_\_\_\_ E00119
- ☐ *Missouri Wildlife Trails* activity book: Appropriate for grade 4 Missouri history unit—indicate number of students \_\_\_\_\_ E00093

Exciting hands-on instructional units are tightly aligned with Missouri's grade-level and course-level expectations and bring students outdoors and closer to nature.

#### Discover Nature Schools (DNS)

is science/conservation education at its best. K-12 units include teacher training and grant opportunities for classroom equipment, outdoor classroom materials, and related field experiences. DNS units help students get outside to experience hands-on learning in nature close to home.

- **Early Childhood** unit will be piloted in Fall 2012.
- **K-2** unit will be piloted in Fall 2011.
- **Elementary** *Nature Unleashed* unit (grades 3-5) features pond, forest, and prairie ecosystems and is available now.
- **Middle school** *Conserving Missouri's Aquatic Ecosystems* unit (grades 6-8) features aquatic ecosystems and is available now.
- **High school** *Nature Unbound* unit (grades 9-12) features ecology and is available now.

For more information about Discover Nature Schools, visit [mdc.mo.gov/15642](http://mdc.mo.gov/15642).

To contact your local Education Consultant, select your county in the "Who's My Local Contact" box on any page on the MDC Education website.

### The Conservation Web

### Programs

Missouri Conservation Frontiers An activity-oriented program about the conservation of Missouri's natural resources. Participants advance through 13 levels of achievement by completing activities adaptable for use by parents, teachers and youth leaders.

- ☐ Please send information on the Conservation Frontiers program.

Missouri Stream Team Program Volunteer groups of all kinds monitor water quality, pick-up litter, stencil storm drains, educate their community and much more. If you'd like to help your group learn more about streams and watersheds, this program is for you!

- ☐ Please send information on the Missouri Stream Team Program. FIS182

Missouri Hunter Education Program Missouri offers two ways to become hunter-education certified—through a traditional classroom course or an online program. The traditional course is taught across the state and involves at least 10 hours of classroom presentations. The online course allows individuals to work at their own pace from any computer. Online students are required to pay a fee for the online field day qualifier test and attend a 5-hour field day to complete their certification.

- ☐ Please send information on the Missouri Hunter Education Program. HED025

Missouri Project Learning Tree A program of multi-disciplinary activities on forests, wildlife, soil, air and water. Available through a training workshop.

- ☐ Please send information on the program and workshops. E00499

Missouri Project WILD A program of multi-disciplinary activities on wildlife and habitats. Available through a training workshop.

- ☐ Please send information on the program and workshops. E00498

Missouri Forestkeepers This free program helps forest landowners, educators, students, parks and recreation professionals, scout troops and other interested individuals monitor forest health and learn more about this critically important resource.

- ☐ Please send information on the Missouri Forestkeepers Program. F00020
